

SIDDHARTH IYER

Deep Learning Researcher

Chennai, India | siddharth.iyer@example.com

PROFESSIONAL SUMMARY

Research engineer working on computer vision, mostly in an academic setting.

EXPERIENCE

Research Assistant - IIT Madras Vision Lab, Chennai 2023 - 2026

- Trained PyTorch segmentation and detection models on medical imaging datasets.
- Published two papers on data-efficient training for computer vision.
- Built evaluation harnesses comparing eleven model variants.

TECHNICAL SKILLS

Languages: Python, C++, MATLAB

AI/ML: PyTorch, TensorFlow, Computer Vision, Deep Learning, OpenCV, scikit-learn

Tools: Git, Linux, Weights and Biases

EDUCATION

M.S. by Research, Computer Science - IIT Madras 2023 - 2026
